

# WELCOME BACK TO EP!

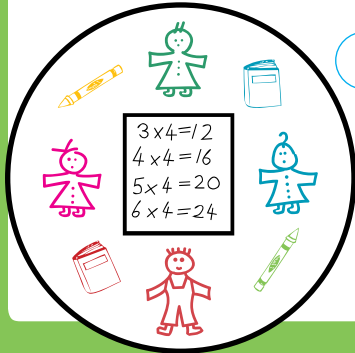

We are looking forward to seeing you next week!

It will be great to see your teacher and your friends and learn together. You will be able to play together in the playground again!

Things will be a bit different when you come back, and we must all work to help keep our school and community safe by following some new rules.

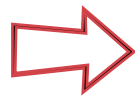

You will be in a small class. We are going to call it a **class bubble!**

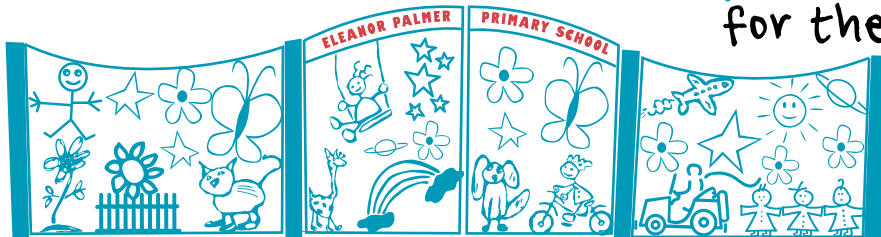

You will work with the same friends and have playtimes with these friends.

Say goodbye to your parents in the **Home Zone**

look out for those **Team EP blue jackets** and head for them

Wash your hands as soon as you get to school and whenever your teacher reminds you to! 

♪ Sing **HAPPY BIRTHDAY** twice! ♪

Try to remember not to touch each other or work too close together

If you feel poorly tell your parents or tell the office so we can check how you are.

We need to make sure we catch illness early!
